

presto Aircondition Cleaner

Technical Information

presto Aircondition Cleaner cleans and freshens air in vehicle air conditioning and circulation systems. The cleaner forms foam after being applied on the vaporiser and the heating ducts and releases a pleasant fragrance.

Ord.-no: 215995

Quality & properties

- High quality active foam
- Lasting protection for smells
- Effective cleaning
- Simple application
- Subtle scent

Physical & chemical data

- Base: Tenside solution
- Colourname: white
- Efficiency: 400 ML – 1 Pcs.
- Minimum Working Temperature: 5 °C
- Maximum Working Temperature: 30 °C
- Flash point: n.a.
- Storage stability: 10 y
- Content: 400 ML

How to use

- Bring the can to room temperature.
- Operating temperature 5° to 30°C.
- Shake can for 2 minutes before use.
- Before treatment, switch off the engine and the electrical installations.
- Apply to the air conditioning evaporator.
- Insert the adapter into the air inlet of the air conditioning and completely empty the can.
- The location of the air inlet differs per brand, consult your dealer.
- After applying, do not switch on the engine or the electrical installations for at least half an hour.
- In this half hour the foam will break and leave the system through the condensed water outlet as a fluid.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

As of May 7, 2025 – This release replaces all eventually earlier issued versions.
