

presto Cable Gliss Spray

Technical Information

Facilitates pulling of cables and wires in electrical installation pipes. Breaks, cracks and the clamping of the cable can be prevented. Suitable for all types of cables. Includes spray probe.

Ord.-no: 459658

Quality & properties

- Facilitates the insertion of cables and lines
- Special lubricant on silicone basis
- Reduces friction
- Does not attack construction materials
- Does not stick
- Do not dry out
- Does not attack rubber, plastics, textiles and lacquers
- Water-repellent
- Suitable as moisture buffer

Physical & chemical data

- Base: Special resin
- Colourname: transparent
- Surfaces: electric wire and cables
- Minimum Working Temperature: 5 °C
- Maximum Working Temperature: 30 °C
- Flash point: n.a.
- Storage stability: 10 y
- Content: 400 ML

How to use

- Bring the can to room temperature.
- Operating temperature 15° to 35°C.
- Shake can vigorously before use.
- Apply the spray directly onto the cable or with the spray probe into the line inlet.
- Then pull the cable.
- During installation, spray cables or wires in sections.
- Caution: presto Cable Gliss Spray can cause high smoothness in the working environment. Clean and economical processing; Do not spray on floors, tiles, laminate or other treads.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

As of May 7, 2025 – This release replaces all eventually earlier issued versions.
