

presto Odour Eliminator

Ord.-no.: 383250

Technical Information

Powerful spray to mask unpleasant smells. Very effective. Long-lasting effect, pleasant freshness. Also for use in the household sector.

Quality & properties

- Very effective
- Brings freshness in the car
- Long-lasting effect
- Excellent masking properties

Physical & chemical data

- Base: Special resin
- Colourname: transparent
- Smell: Lemon
- Minimum Working Temperature: 5 °C
- Maximum Working Temperature: 30 °C
- Vapour pressure: 3500/20 bar
- Storage stability: 10 y
- Content: 600 ML

How to use

- Bring the can to room temperature / Operational temperature 5 to 30°C.
- Shake before use.
- Depending on the size of the room, briefly press the nozzle once or several times.
- In view of the very powerful spray pattern and the compatibility of the surface, spray in the air and keep sufficient distance from objects.
- For use in a car, we advise to spray on the floor mat.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +49 (0) 62 66 75-266 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of August 18, 2022 – This release replaces all eventually earlier issued versions.
